Group History

Bedouin (Pvt) Ltd. finds its roots nearly five decades ago when the young Bashir Ahmad laid the foundation of B&A Quilting with just one quilting machine in the heart of the textile industry, Lancashire, England. B&A Quilting Co. Ltd. was born in 1971 and started to work as a commercial quilter.

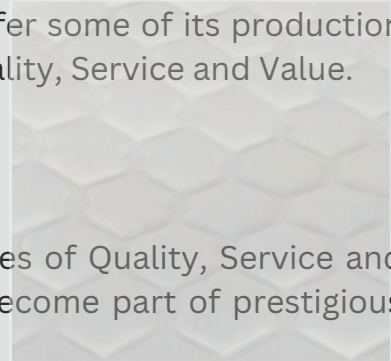

B&A soon became a key supplier to the garment and bedding manufacturers, being located in the north of England and driven by the work ethics of Quality, Service and Value, it has grown into the largest commercial quilter in the UK, with sales of GBP 3.6M

BIRTH OF BEDOUIN

Rising production costs in the UK led B&A to relocate part of its manufacturing facility to a more feasible location where it could transfer some of its production expertise without compromising the guiding rules of Quality, Service and Value.

In just 19 years, by following the same guiding principles of Quality, Service and Value, Bedouin has seen tremendous growth and has become part of prestigious group of “Top 100 Exporters of Pakistan”.
